

## Who can share an Animal?

Anyone can! As an individual, as a family or as a class or group. You could give it to someone as a present or even hold fund-raising events to help raise the money

## How does it work?

You choose one of the animals from the list, fill in the attached form and send it off with the appropriate payment.

## How much will it cost?

The cost varies according to the size of the animal:

Small (£15):

*chickens, ducks, geese, turkeys,  
rabbits, guinea pigs & cats.*

Medium (£25):

*sheep & goats.*

Large (£35):

*ponies & pigs*

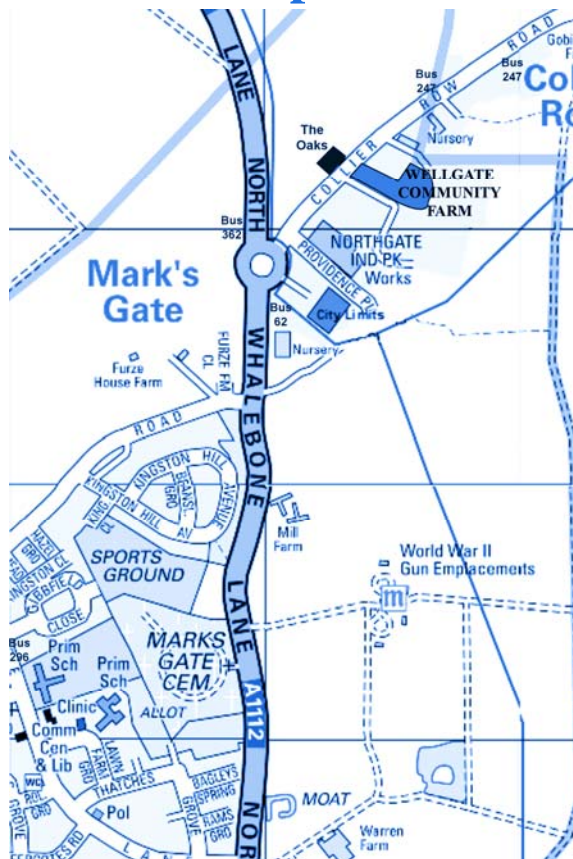

## What will you get?

You will receive a large colour picture of your chosen animal and two reports a year of its progress. In addition you will receive free membership (which normally costs between £3 - £15 a year), including two Farm newsletters a year.

## How does your animal benefit?

The money you will pay will go towards the annual cost of keeping your animal in food, bedding, medicines, equipment, etc.

**Date:** \_\_\_\_\_

Detach & return to: Wellgate Community Farm, Collier Row Road, Romford, RM5 2BH

# Animal Share

## Have you always wanted an animal that you could not have?

Perhaps you didn't have the time or space, maybe couldn't afford one! Well, here's a solution! You could have a share in one of the animals at Wellgate Community Farm. We look after your chosen animal for you. You can visit your animal at the Farm whenever you want and get as involved in caring for it as you like.

Thank you for considering this project.  
We hope it can be of benefit to you and  
the animals at Wellgate Community Farm.
